

Greater Imperial Board, Inc.

Update on Front Gate January 18, 2023

- **The computers and the cloud server are operational; installation of the gate hardware is underway and should be completed this week.**
- **At that point the gate will be manned from dusk to dawn.**
- **Before becoming fully operational, passes for new owners and guests need to be issued and recorded. The Guard House Committee will be meeting next week to finalize plans for the full reopening.**

Please note that going forward we will be using this website to communicate with residents and will commit to doing so on a timely basis.
